

Community Health (CH)

Fee Schedule

This fee schedule is effective from 1 July 2024. If you receive services via Community Health program, you are required to make a personal contribution to your services. Your personal contribution will be based on your income. You will be required to declare your income to determine which fee range you will be charged. For a confidential discussion about your income declaration and circumstances, please contact the team at Macedon Ranges Health.

Additional Information

- The income ranges provided are determined by the Centrelink Income Test;
- The Schedule of Fees is developed as per the principles of the Community Health Fee Schedule, provided by the Government;
- All services and products are arranged and approved in consultation with yourself and your clinician and are based on your assessed needs and established goals within your care plan;
- Additional costs may apply for products, this will be in consultation with you;
- 24 hours' notice of cancellation is required to ensure no cancellation fee. If notification is not received in this timeframe, a service charge will apply. If repeat cancellations occur, your services may be cancelled.
- Community Health funding cannot cover services or products funded by another source such as Home Care Packages, TAC, Medicare, Private Health Insurance or NDIS;
- If you are receiving services through Macedon Ranges Health, payment is to be made over the counter after your visit. If you receive home visits you will receive a monthly invoice. Our preferred method of payment is via direct debit.
